CONSTRUCTION GROUP, INC.

Specializing In New Home Construction

## A Few Things To Keep In Mind

In this tentative market many homeowners are choosing to remodel instead of taking on the high cost of selling a home. Remodeling affords you a chance to update your current home, enhance the living space and increase the overall value of your investment.

As you consider remodeling, here are some things you should consider.

- 1. Update your kitchen or bathroom*
- 2. Provide additional space for your growing family*
- 3. Increase the curb appeal and resale value of your home*

## Keep Your Investment Safe

For many of us a home is one of the largest investments we will make. With so much depending on this investment, you want to make sure that any changes or improvements are performed precisely. You can rest assured that we stand behind our work by providing you a *Home Improvement Warranty from 2-10 Home Buyers Warranty (2-10 HBW®)*.
