

The VENOM...

The SPRAY.....

The QUILLS...

The POISON.....

of Skunks

of Porcupines

of Toads

These are all very real Dangers to You and Your Dogs!

Wildlife Avoidance Training for Dogs can save pets tremendous pain and agony from these potential threats! In addition, saving pet owners thousands of dollars in medical expenses and even the lives of their Best Friends!

HOW WOULD YOU LIKE TO BRING THESE INVALUABLE, LIFE-SAVING TRAINING CLASSES TO YOUR AREA, WHILE AT THE SAME TIME EARNING FUNDS FOR YOUR ORGANIZATION OR BUSINESS?

Wildlife Avoidance Training for Dogs

is looking to develop working relationships with Clubs, Organizations, & Businesses to bring these clinics to new areas where they are needed. Not only is this an opportunity for you to promote your organization by providing your clients, members and the community with these precious, life-saving clinics, but it is also a great way to raise funds through our Host Program.

Some of the groups that have hosted our clinics include: Sporting Good Stores, Veterinary Clinics, Dog Clubs and Kennels, Hunting Clubs, Hiking, Athletic and Fitness Clubs, and even just concerned Dog Owners!

We only have a limited number of dates available and these fill up fast, sometimes even a full year in advance! Please contact us right away to learn more about this fantastic fund-raising and community service opportunity!
