EASTERN SHORE FAMILY
FOOTCARE

COVID – 19 Virus Policy

To our patients,

Eastern Shore Family Footcare is currently operating with normal business hours. As per our standard protocol, the office is constantly sanitized with products approved to kill pathogens, including COVID-19, throughout the entire day.

In an effort to do our part during the COVID-19 outbreak, we are requesting patients and anyone that may be accompanying them to the office who has a fever, cough, runny nose, or any flu-like symptoms or who have been exposed to COVID-19 to please reschedule your appointment for at least 3 weeks out.

We also recommend that if any patient has traveled outside the Country recently to please abide by the recommendations set by the CDC by isolating any contact for 14 days. Thank you for your assistance with this matter.

If you have any questions, please contact one of our offices:
