

# Unlimited Dog Wash & Brush Service

*Starting at \$39.95/month*

For pet parents, it seems bathing and brushing are never-ending tasks. Sure, once a month or so your pet gets the full treatment at the dog groomers: bath, clip, nails, glands, brushing, bows, bandana, etc. But it never fails... to celebrate their spa day, they immediately hit the ground and roll in who knows what. Yuck!

But now there's a convenient, unlimited dog wash and brush service that saves you time, reduces stress and decreases your monthly expense with the dog groomers.

Starting at \$39.95 per month, the **Splash and Dash for Dogs™** system gives you an unlimited dog wash & brush service. Bring them:

- right before company comes so they're fresh and clean
- prior to or after being boarded
- immediately after their latest romp in the grass (what is that **lovely** smell?)
- before visiting friends
- any time you want your K-9 kid to be well-kept and professionally groomed

## How Does It Work?

It's as simple as 1, 2, 3.

1. Book your appointment.
2. Drop off your dirty dog.
3. Pick up your beautiful, clean pet within just 2 hours.

Each **Splash and Dash for Dogs™** visit includes:

- Hydro Massage Bath
- Conditioning Shampoo
- Hand Blow Dry
- Gentle Brush Out

Think about it. If you use the **Splash and Dash for Dogs™** service just twice a month, the cost averages out to \$19.98 per visit. Come three times a month and it's only \$13.32 each time. Once a week - four times a month - and you're paying a mere \$9.99 to have your pooch pampered, bathed and brushed.

Then schedule as many appointments as you want, all month long, for one low monthly payment. Once you book your first appointment, you're guaranteed that recurring time for as long as you want it.

With regular bathing & brushing at the dog groomers, your pet will have less matting and skin irritation thanks to the specialty shampoos we use. Plus, you'll:

- **Have the convenience of unlimited appointments.** Drop your dog off then run a few errands or grab lunch with a friend while the pros handle the messy and wet task of bathing & brushing your pet.
- **Extend time between full-service grooming visits.** When basic dog wash & brushing services are performed regularly, there's less of a need for full-service grooming. You substantially reduce your monthly expenses.

- **Keep your home cleaner.** With less shedding and a cleaner pet, you'll have a sweeter-smelling home you can be proud of.

Why break your back straining over the kitchen sink or bathtub? Why get soaking wet and soapy when you can leave the hassle of washing and brushing to the pros? **Splash and Dash for Dogs™** just makes good sense!
