*Dear Friends,*

*The staff and I would like to thank you for the cards and gifts we received from you for Christmas! Thank you for being so generous! Also I would like to thank those who helped out with the HAAM food distribution and the Baskets of Hope packing event. You are awesome!*

*Now that Christmas is over Easter is just around the corner. The Lenten Season begins with Ash Wednesday on March 1. We will offer the imposition of ashes and Holy Communion. Every Wednesday you will have the opportunity to attend worship at either noon or 6:30 in the evening. We will again have our famous soup, salad and sandwich suppers beginning at 5:30pm.*

*On another note, choir will start up again in February. Practice begins at 6:45 on Thursdays in the choir room.*

*God has great plans for 2017! Pray for LOG as we are "Impacting families with the love of Christ!"*

*May God bless you  
and your family!*

## From the desk of DCE Shelly McMullen

Close your eyes for a moment and think about what the “perfect” church would look like? Now I know what you are thinking, there is no such thing as a perfect church BUT dream with me for a moment. I pray that this church that you are thinking about is a church of many people of all ages and backgrounds. A place where there is community that is built around grace and mercy. A place where the people are building each other up in the love of Christ. A place of redemption. A place of grace.

As we have entered into 2017, we have an amazing opportunity like no other generation before us to share the Gospel message with people around us. God has placed each of us in this exact moment and time to proclaim His mercy and grace to a hurting world. On staff and even in my own home, we are using the word IMPACT frequently. God has positioned each of us for IMPACT. In our workplace, schools, neighborhoods, and even in our families, we are called to share Jesus. Our lives may begin to look a little different and there will be times when it is uncomfortable. But sharing the Light of the World to a dark world is so worth it. We are children of the King and let us go out together and IMPACT our community for Him.

## School News

2017 started off with happy children with stories about gifts, vacations, and fellowship with family. Of course, many of the children were eager to tell their class how their family celebrated and honored Christ's birth. As we move into February, we look forward to more cool weather, a groundhog's shadow(?) and lots of excited children.

Please mark the following dates on your calendars for February.

1/30-2/3--National Lutheran Schools Week

2/13--In-House Fall registration begins--register early to guarantee your child a space in next year's class.

2/14--Valentine's Day Parties--students will enjoy activities, crafts and yummy sweets.

2/26--3's and 4's sing at 10:30am Worship service--This is always a fantastically cute event. The kids love performing (some more than others) and have practiced with their teachers and class.

2/28--Spring Fever Open House, 6-

7:30pm, This is

a great chance to speak with your child's teacher, discover what they have been doing in class this spring, and visit with the directors. Want to earn a week's free tuition? Refer a friend to our school. If they enroll for at least a semester, you'll get a week's tuition free for your child.

If you are looking for an exciting and Christ filled atmosphere where your child will be safe, loved, encouraged and have fun while learning, please take a tour of the school or MDO with one of the directors (Christine, Leanne, and Greg). We would love to have you as one of our family members. Also, please mention our school to any of your friends, coworkers, and neighbors who are looking for a Christian environment for their children. Have a blessed month!

## Men's Ministry

The purpose of the men's ministry is to gather men to develop spiritually strong men who will lead their families, church and community; to study God's word through the lens of men's experience; for fellowship; and to put our faith in action.

In 2016 the LoGL Men's Ministry team built (19) ramps with a total of 505 linear feet and we logged a 624 volunteer man hours in the construction of these.

We build  
ramps every  
3rd Saturday  
of the  
month.

Ignite meets the 1st Saturday of the month in the CLC Youth Room.

Dear LOG church Family and Friends

Where do we begin? How can we ever express to each and everyone of you how very much your love and prayers have meant to us and how they helped carry us through this "storm" in our lives. We believe in the power of prayer and we know that God listened. He gave us a Christmas miracle by bringing Bob, our husband, father and son, back from the brink of death into our arms once again.

Thank you just doesn't seem enough.....

May God truly bless each of you!

Love,

Bob and Denise Baker and Family

## Being Lutheran

### The Lutheran Confessions

Drawn from God's Word, the Lutheran Confessions are a true and binding exposition of Holy Scripture and serve as authoritative texts for all pastors, congregations and other rostered church workers of The Lutheran Church—Missouri Synod.

### What are the Lutheran Confessions?

The Lutheran Church—Missouri Synod accepts the Scriptures as the inspired and inerrant Word of God, and the LCMS subscribes unconditionally to all the symbolical books of the Evangelical Lutheran Church as a true and unadulterated statement and exposition of the Word of God.

We accept the Lutheran Confessions as articulated in the Book of Concord of 1580 because they are drawn from the Word of God, and on that account we regard their doctrinal content as a true and binding exposition of Holy Scripture and as authoritative for all pastors, congregations and other rostered church workers of The Lutheran Church—Missouri Synod.

Family Promise of Lake Houston provides programs and services necessary to address the underlying causes of homelessness and to return our families to a self-sustaining life. We bring together service agencies and local volunteers to provide safe, temporary housing, meals and support services to homeless families in the Lake Houston area.

### What a Mess!

Thank you to those who helped with cleaning the upstairs storage area of the CLC building.

Recently the Fire Marshal had been out and sighted us for the mess that was upstairs. Dennis Rogers, Vince Thompson, Richard Jennings, John Farina, Davis Thompson, Gage Rogers, and Ms. Mary from New Hope cleaned out 4 truck loads of garbage from the upstairs. We passed the recent follow-up inspection but the clean up and organization is still in process. Please be mindful of the hard work that was put into cleaning up when you take items up stairs for storage.

Thanks again for all your help!
