

## ESTATE COLLECTION

The Stearns & Foster® Estate Collection sets a high bar for a luxury mattress. At its core is our exclusive IntelliCoil® Advanced, with an innovative design that constantly adapts to your body shape and movement to deliver the perfect level of support.

## FEATURES & MATERIALS

### INTELLICOIL® ADVANCED

Exclusive coil design that better adapts to the size, shape and weight of any body for the perfect level of support.

### ADVANCED ADAPT™ FOAM (SELECT MODELS)

Exclusive new memory foam that combines conforming comfort with ease of movement and superior durability.

### PRIMACOOL™ PERFORMANCE FABRIC

High-loft, double stretch-knit fabric made with TENCEL®, an eco-friendly fiber known for its moisture-wicking, breathable properties. We add silk and cashmere threads for even more softness.

### PRIMASENSE™ GEL FOAM

Gel foam in the comfort layer cradles the body and promotes a cooler sleeping environment.

### PRECISIONEDGE™ SYSTEM

High-density border surrounding the mattress for better edge support, more usable sleeping surface and improved durability.

### S&F BRASS AIR VENTS

Solid brass air vents promote air flow for increased breathability and cooling.

# CRAFTING THE WORLD'S FINEST BED.

Stearns & Foster mattresses are made by specially trained master craftsmen using the best materials and the highest of standards—all to deliver exceptional quality and indulgent comfort. We're so proud of our work, we sign every one.

STEARN S & FOSTER®

## LUX ESTATE COLLECTION

The next level in Stearns & Foster® quality and features, the Lux Estate Collection adds hand-tufting for increased responsiveness and durability, as well as our innovative Pillowtop Support™ layer for plush, adaptive comfort.

## FEATURES & MATERIALS

### PILLOWTOP SUPPORT™ LAYER (SELECT MODELS)

Innovative layer adds durable support for the pillowtop. It works with the pillowtop to deliver a superior feel with conforming support, for years of no-sag comfort.

### INTELLICOIL® ADVANCED

Exclusive coil design that better adapts to the size, shape and weight of any body for the perfect level of support.

### ADVANCED ADAPT™ FOAM

Exclusive new memory foam that combines conforming comfort with ease of movement and superior durability.

### PRIMACOOL™ PERFORMANCE FABRIC

High-loft, double stretch-knit fabric made with TENCEL®, an eco-friendly fiber known for its moisture-wicking, breathable properties. We add silk and cashmere threads for even more softness.

### PRIMASENSE™ GEL FOAM

Gel foam in the comfort layer cradles the body and promotes a cooler sleeping environment.

### PRECISIONEDGE™ SYSTEM

High-density border surrounding the mattress for better edge support, more usable sleeping surface and improved durability.

### S&F BRASS AIR VENTS

## RESERVE COLLECTION

More than just the top-of-the-line Stearns & Foster®, the Reserve Collection is the ultimate mattress. With features you won't find anywhere else – like our exclusive hybrid pillowtop, it delivers exceptional comfort, adaptability and support unlike anything else.

## FEATURES & MATERIALS

### HYBRID PILLOWTOP

Innovative mattress top that delivers a dramatic light-as-air feel that's amazingly adaptive and supremely comfortable. Specially engineered Nano Comfort™ Layer pairs thousands of nanocoils with memory foam for durable support, and years of use.

### PILLOWTOP SUPPORT™ LAYER (SELECT MODELS)

Innovative layer adds durable support for the pillowtop. It works with the pillowtop to deliver an indulgent feel with conforming support, for years of no-sag comfort.

### INTELLICOIL® ADVANCED

Exclusive coil design that better adapts to the size, shape and weight of any body for the perfect level of support.

### ADVANCED ADAPT™ FOAM

Exclusive new memory foam that combines conforming comfort with ease of movement and superior durability.

### PRIMASENSE™ GEL FOAM

Gel foam in the comfort layer cradles the body and promotes a cooler sleeping environment.

### PRIMACOOL™ PERFORMANCE FABRIC

High-loft, double stretch-knit fabric made with TENCEL®, an eco-friendly fiber known for its moisture-wicking, breathable properties. We add silk and cashmere threads for even more softness.

### PRECISIONEDGE™ SYSTEM

High-density border surrounding the mattress for better edge support, more usable sleeping surface and improved durability.
