A&G Contracting, Inc. was established in 1985 by Anthony and Gerard Bianco, specializing in construction management, general contracting, new construction and renovations of industrial, commercial, and residential projects.

We take pride in our attention to detail. ***A&G Contracting, Inc.*** is dedicated to producing quality construction while strictly adhering to scheduled deadlines. Our key strength is our knowledge of the construction field, design techniques and coordination, as well as maintaining a qualified labor force. From luxury, custom designed homes, to apartment complexes; from historical renovations to additions and repairs, our experienced and dedicated personnel are capable of delivering the highest level of service possible, producing satisfied customers every time.

With over 25 years experience in the construction industry, Anthony and Gerard Bianco and their associates are knowledgeable in all phases of construction and have successfully supervised the growth of their business into a well established and reputable company. ***A&G Contracting, Inc.*** takes great pride in their ability to help their customers find the right balance to achieve the level of quality, style, and features they want, at the price they can afford.

A&G Contracting, Inc. has a broad range of talents in both new construction and interior and exterior renovation work. Many of these projects are undertaken to serve the best interests of the community. Such projects include renovations to elderly housing apartment buildings, nursing homes, schools, and churches. Other renovation and new construction work include retail pharmacies, franchise restaurants, banks, auto dealerships, car washes, residential homes, commercial office spaces and buildings. We are also an authorized **Flexospan Building Solutions** builder.

We are registered with:
