WOOD FENCES

Let Leading Edge Fences, LLC custom build the wood fence of your dreams. If you can imagine it, we can build it. At Leading Edge Fences we specialize in the construction of wood fences. Unlike your standard fence company that only offers a few styles and certain products to choose from. At Leading Edge we offer every style and only recommend things and help guide you in finding the right fence for you. We have many types and styles of wood fences with many options to choose between from standard styles, pre-custom designed styles, or we can design a new custom fence from the ground up that best suits your needs. There are still many more options than what is listed below. For example we offer many lattice types and styles and incorporate many different material within the wood fence like steel, aluminum, vinyl or composite. When it comes to working with wood at Leading Edge Fences the sky is the limit, let us help find the right fence for you!
