Expressive Home Decor

## who we are

**H**earthland Wholesale, home of Heartwood Hollow, is nestled beside a woods in the heart of northern Indiana's Amish community, where home businesses thrive alongside fields of corn and horse-drawn vehicles share the roads with eighteen-wheelers.

**Perry** thrives on leading his family and team members. He is an entrepreneur who enjoys the challenges of business. **Carolyn**, his wife (that's me), is his chief sounding board. I enjoy working alongside Perry designing new products while also being a mom.

We have five children here and one in heaven. **Seth**, the oldest, works as a welder in a neighboring business. Next is **Stanley**. He's the general handyman and stable hand around home. **Carrie**, on her last year of school, looks forward to becoming more involved in the business. Then there's **Davey** in fifth grade. He helps out a lot around the farm and enjoys creating things. Next is **Carla** in second grade. She may be small for her age, but she has a big heart, spreading love to everyone. And then **Jacob**, our youngest, who went to be with Jesus in May 2017. He loved spending time with his pony and brightened all our days with

his sweet, happy personality. We all miss him very much! We also share our 12 acres with about fifty horses, two dogs, and numerous cats.

Now I'd like to introduce our great team who makes it all happen everyday. **Doretta M.**, our operations manager, capably handles the day-to-day challenges; taking orders, serving customers, and making sure we have the merchandise and manpower we need to serve you in a timely manner.

**Lori**, our graphic designer, does a great job of laying out and organizing our catalogs, designing new products, etc., all while juggling deadlines and being a new mom to baby Landon.

**Dianne** also works from home doing our invoicing and accounting. We appreciate her accuracy and skill.

In the plaque shop is **Doretta N.** She takes the prints and creates a beautiful piece of artwork, all the way from

lamination to packaging. Her attention to detail and high standard of quality are what bring you a great finished product.

**Howard**, Perry's dad, does the 'dirty work' for us, cutting wood for our plaques and displays in the woodshop, or as he puts it "making noise and sawdust."

**Joas** helps out in the woodshop and with plaque production, lending a hand wherever needed.

**Anna** and **Amanda**, in the shipping department, pick and pack your orders carefully to ensure their accuracy and safety in shipping, bringing you the products you need in great condition.

And, most importantly, is God. He has blessed us richly in making us caretakers of this business for Him. He is the one it's all about, without Him we can do nothing. We praise Him for sustaining us and holding us through the passing of Jacob.

*The Lord of hosts is with us, the God of Jacob is our refuge. Psalm 46:7*

## To everything there is a season...

and a time to every purpose  
under the heaven;

A time to be born, and a time to die;  
a time to plant, and a time to pluck  
up that which is planted;

A time to kill, and a time to heal;  
a time to break down, and a time  
to build up;

A time to weep, and a time to  
laugh; a time to mourn, and a  
time to dance;

A time to cast away stones, and  
a time to gather stones together;  
a time to embrace, and a time to  
refrain from embracing;

A time to get, and a time to lose;  
a time to keep, and a time  
to cast away;

A time to rend, and a time to sew;  
a time to keep silence,  
and a time to speak;

A time to love, and a time to hate;  
a time of war, and a time of peace.

Ecclesiastes 3:1-8 KJV

# In Loving Memory...

*This is a section that is dear to my heart. After our son, Jacob, died in an accidental drowning in May 2017, we first realized how much the love and support of family and friends really means.*

*While it's true that "Jesus Christ is all I need," like a line from Jacob's favorite song says, those little gifts and mementos felt really special, too. It inspired us to create more memorial plaques for you to offer to your customers. We are offering personalization on some of them.*

*Again, thank you to all our customers for your thoughts and prayers on our behalf this year.*

*Carolyn*
