

NO SMOKING POLICY

All of these terms and provisions of this No Smoking Policy are specifically made a part of the lease and applies to any and all persons living in Kitsap County Consolidate Housing Authority dba Housing Kitsap (HK) properties including HK residents, their guests and visitors and to all persons entering HK properties including HK contractors and employees.

1. Smoking is not permitted in: (1) any dwelling unit, which includes, but is not limited to, bedrooms, hallways, kitchens, bathrooms, patios, balconies, unit entryway areas and leased exterior spaces; or (2) in the common areas of any Housing Kitsap building, community or facility.
2. "Smoking" is defined as inhaling, exhaling, breathing, or carrying any lit cigar, cigarette, pipe, electronic cigarette or similar device or other tobacco and marijuana products in any manner or in any form.
3. "Common areas" are all areas open to the public, including but not limited to entryways, community patios or balconies, roof terraces, lobbies, hallways, elevators, management offices, public restrooms, community rooms, community kitchens, parking garages and carports, and any other area of the building that is accessible to employees, residents and guests.
4. In buildings or properties designated as a "smoke-free environment", smoking is also prohibited anywhere on the property.
5. HK staff shall inform current residents, new applicants on waiting lists, HK employees and HK contractors of this policy.
6. HK staff shall post "No Smoking" signs at entrances and exits, common areas, hallways, etc., and enforce compliance with this policy.
7. The Senior Portfolio Manager may designate an area outside an HK building or facility as a "designated smoking area".
8. Any area designated for smoking shall be adequately posted "smoking area" and proper ashtrays placed for the safe disposal of cigarette / cigar butts and lit matches. However the designated smoking area does not apply to smoking marijuana products, because under Washington State's Marijuana Legalization law (Initiative 502), it is illegal to smoke marijuana in public.
9. Failure to comply with the terms of this Addendum may be cause for lease enforcement action, including eviction.
