BEST HOME RENOVATION CONTRACTOR

1 H2O Kitchen & Bath Design Center

Davis Straits, Falmouth • www.h2obathtilemore.com

H2O Kitchen & Bath Design Center invites you to build the kitchen or bathroom of your dreams. And it can make that dream come true with its remodeling experts who will help every step of the way.

Want to start with your kitchen? Begin with a free design consultation. See the number-one consumer-rated Starmark cabinetry it offers, along with other great choices. You can also check out sinks and countertops—and how about handmade terracotta tile?

As part of the installation, H2O will also coordinate details like plumbing and electrical work and demolition.

Next visit to the showroom, peruse the components you would envision in your dream bath: custom showers, vanities with lots of storage, beautiful plumbing fixtures—why not install radiant heat flooring while you’re at it?

From the luxurious to the plain practical, H2O will work hard to get the best quality for your budget.

As any real estate agent will tell you, the kitchen and bathroom are the most important rooms in your house; so why not renovate those rooms with the help of H2O Kitchen & Bath Design Center? Along with adding value to your home, it sure will save the hassle of packing boxes and moving!

2 iKitchens Etc.

East Falmouth Highway • www.ikitchensetc.com

“Dream – Design – Create – Enjoy”: that is the motto of iKitchens Etc. in East Falmouth.

In addition to kitchen and bath remodels, it can discover the little-used spaces in your house and transform them to usable spots that add to the enjoyment of your home.

Once that space has been reclaimed, you may have gained a mudroom, functional laundry room, or a finished basement area—with uses only limited by your imagination.

Last year, iKitchensEtc. received the SCORE Build a Better Mousetrap award for surviving the critical first five years of being in business.

3 Falmouth Lumber

Teaticket Highway, Falmouth • www.falmouthlumber.com

Falmouth Lumber Design Center’s Kitchen & Millwork Showroom team is ready to work with you on your home renovation project with their combined 120 years of kitchen design experience.

They offer evening hours on Thursday so daytime workers can visit the showroom to view the possibilities: countertops of quartz, granite, recycled glass or butcher block; cabinetry hardware in a variety of finishes; and the latest trends in cabinet upgrades.

Once measurements have been taken and you have made your selections, you’ll receive 3-D graphic designs of the project. What could be easier?
