Our leagues are sanctioned through the U.S.B.C., which bonds and insures leagues. They also provide rules and awards you can earn during the season. There is a yearly fee to sanction which will be discussed at the league meetings. Weekly bowling fees which cover lineage paid to the center, secretary fees, processing fees and of course the prize fund usually run between \$12-\$25 per bowler depending on the league. Most leagues have a team entry fee ranging from \$5-\$20 per bowler. The entry fee goes directly into the league prize fund.

The prize fund is distributed back to bowlers at the end of the season, so in most leagues everyone wins something! Each league will have a meeting, which is generally a week prior to the start of the season. The details for each league will be covered at that time. Don't worry if you don't have your own equipment, we have rental shoes and house bowling balls available for league play.
