The Cayman Islands 365 dive sites are sure to leave even the most seasoned divers awestruck; with deep dramatic walls adorned with sponges and corals, shallow reefs of fish and small invertebrates, and an assortment of famous wrecks, all in perfect 80 deg F water. Grand Cayman is also home to the world's best 12 foot dive, the legendary Stingray City.

We will be diving and staying with Sunset House. Everything you dreamed for a Caribbean Dive Vacation is here! Sunset House offers many amenities for the diving and snorkeling enthusiast. With a variety of mid-bracket rooms, a quiet cruise-ship-free location on a rocky shoreline renowned for its shore diving, and only a 15 minute walk from downtown, the highly-recommended Sunset House is sure to please even the most avid diver. While they do not have a beach, they do have a pool with a waterfall, whirlpool feature and sea pool with direct ladder access to the Caribbean provides all of the water based activities most snorkelers and divers could ask for. Ready for lunch? Visit their praised and local-frequented SeaHarvest Restaurant and My Bar.

Set on a coastal road about 3/4 miles (1.2km) south of George Town, Sunset House has a few things that other Grand Cayman hotels do not. We are a well-recommended middle-bracket hotel whose rooms are divided among a quintet of two-story pink-sided outbuildings. Accommodations are simple, no-nonsense, and comfortable and are favored by divers and snorkelers who appreciate the jagged, mostly rock shoreline and the extensive diving programs. Sunset House is 100% smoke free in all rooms.

Ocean view rooms are available for \$118.00 additional per person.
