

Welcome

In April of 2000, a fire closed two popular restaurants in Ashland, along with the South Shore Brewery. After a brief search, the owners found this historic brick and brownstone building in which we are now located.

The brewery has gone through multiple expansions over the years. Besides being available in the restaurant, the beer is also available throughout Wisconsin, the Upper Peninsula of Michigan, and the Arrowhead region of Minnesota. The brewery is dedicated to producing flavorful, innovative products that use the best of traditional techniques and taps the resources of originality from its professional staff.

The Deepwater Grille and The Alley are the two restaurants designed to showcase the brewery and its beers. Both restaurants are reputable for having an enjoyable atmosphere in which we serve unique and creative cuisine.

We are also proud to support local businesses by purchasing from the following:
