

Kristen Jankowski, Preschool Teacher

Holy Trinity Catholic School ~ 2020-21

Dear Parents/Guardians,

Despite our unusual year, I am confident it will still be amazing!

I completed my degree in Child Development in 2014. This is my 2nd year at Holy Trinity, but my 7th year overall.

I absolutely adore this age group! Kids enjoy trying new things and they have a tendency to do and say hilarious things. I know all about Disney Princesses and Paw Patrol, and can't walk past a sewer without expecting the Ninja Turtles to pop out of it.

Being a Catechist for several years has allowed me the blessing of forming children's faith as well as assisting in sacramental preparation (Reconciliation and First Eucharist).

When I'm not at school or church, I enjoy being outdoors (beach, kayaking, exploring tourist towns), reading, crafting, coffee shop-ing, spending time with my friends and family, and of course doing my "auntly" duties of 'spoiling' my 4 nephews and 2 nieces.

"Four Fun Facts":

- 1) I was 10 years old when I said I was going to be a teacher "when I grew up."
- 2) I was a Christmas elf for several years (I ran the Santa Photo set at a mall). Yes, I did love it!
- 3) Jet skiing once found me just feet away from baby sharks swimming near the shore.
- 4) Since I was a baby, I adored stuffed animals. Nothing has changed, and I also have a puppet collection too. Evidence of this will be seen throughout the year.

It is an honor to walk through this school year with your child, instilling faith and academics needed for the future!

There will be more detailed information to come, but I want to give you a little snapshot of what to expect for your child's school day. We have circle time, small group, outdoor play, and of course free time to explore the classroom! Free time is a time where a lot of social/emotional skills are built as well as academic.

Music, art, prayer/religion, stories are all part of preschool, too! Literacy, math, STEM, fine motor and large motor activities are incorporated into our days.

Feel welcome to contact me for any question or concern. We are a team for your child!

In Christ,

Kristen Jankowski
