

Ornamental

Crabapples

Name: Lollipop Crabapple

Height: 10'

Spread: 10'

The Lollipop Crabapple is a compact dwarf tree, perfect for formal gardens, patios, and courtyards. Fine textured small leaves and dense growth habits create a very symmetrical, globe-shaped head. It presents a neat and formal appearance throughout the year.

Name: Pink Princess Crabapple

Height: 8'

Spread: 12'

The Pink Princess Crabapple is a pink flowered, red leaf form of Sargent Crab. A naturally dwarf tree with all of the desirable features of Sargent, but in a new color.

Name: Prairifire Crabapple

Height: 20'

Spread: 20'

The Prairifire Crabapple is one of the best red leafed crabs and has impressive landscape impact. Attributes include long lasting bright-red flowers, excellent red fruits, and attractive reddish bark.

Name: Royal Raindrops Crabapple

Height: 20'

Spread: 15'

The Royal Raindrops Crabapple has bright pinkish-red flowers that combine with deep purple cut leaf foliage to present a unique crab. It contains deeply lobed leaves and upright form with good branching and density.

Name: Snowdrift Crabapple

Height: 15' – 25'

Spread: 15' – 20'

The Snowdrift contains orange and red fleshy, round, and persistent fruit. This tree grows at an average speed and is best with full sun exposure. Works great with standard landscapes or as a border.

Name: Spring Snow Crabapple

Height: 25'

Spread: 22'

The Spring Snow features pure white flowers but no fruit. The best locations for these trees are patios and courtyards where fruit would be objectionable.

Name: Golden Raindrops Crabapple

Height: 20'

Spread: 15'

The Golden Raindrops Crabapple has fine textured, deeply cut foliage which gives a delicate look to this unusual crab. The form is elegant, with slender limbs spreading horizontally from upright branches.

Name: Purple Prince Crabapple

Height: 18'

Spread: 18'

The Purple Prince produces red fruits late in the summer that stay good year round. Small, sunny areas tend to be the places to plant these trees.

Pears

Name: Cleveland Select

Height: 35'

Spread: 15'

The Cleveland Select is easy to care for and beautiful year round. Drenched in white blooms each spring, glossy green foliage in the summer, and reddish purple leaves in the fall.

Red Buds

Name: Eastern Red Bud

Height: 25'
