

Robinson

A Note from Lori

As we go through this difficult time, I like to think about the blessings I do have. My faith, family, health, great friends, and a job I love. I actually have two families: my own and my Timber Creek Village family. Who could ask for more?

Resident of the Month

Macalene "Maca" Reid

Tell us about yourself: I was married for just short of 29 years to the love of my life, George. I met George through my cousin, who set us up. We lived in the Robinson area our entire lives. I have two nieces, Pam and Jan Phillips, who married brothers! Pam has three boys and one girl, and Jan has one boy and one girl. I also have one nephew, Mark Rugle, who has three boys.

What are your hobbies: I like Chicago Cubs baseball, crossword puzzles, and reading mysteries.

What was your previous occupation: I taught Spanish and English for 37 years at Unit 2 School District.

What do you like most about living at Timber Creek Village: I like living here because of the help. I don't have to worry about going to the store and figuring out what to eat. After my fall, I just needed a bit more help.
