Greetings!

When it comes to healthy meals and lifestyles, I feel the same passion as the actress *Bar Refaeli*. I strongly believe that great tasting food is magical. We are what we eat and it's very difficult to make a lifestyle change if the food is healthy but doesn't taste great.

Luckily, I know the MAGIC ingredients to many challenges and I invite you to schedule a **free consult and learn** how I can support the required changes you need to make for a healthier lifestyle.

I also offer cooked meals delivered weekly using local and fresh ingredients which are not only low in calories but low sodium. When it comes to meals delivery, you have many of choices. I encourage you to give **Cuisine by Celine** a try.

Take the 1st Step: No weekly commitments!

1. Choose your meals
2. Select a delivery day and time
3. We cook for YOU
4. We deliver
5. Heat and Eat. Enjoy!
