

# Grumpy's Bar-B-Que Roadhouse

## Welcome to Grumpy's Real Wood-Pit Barbecue

TRUE HICKORY COOKED BBQ IS WHAT WE ARE ABOUT!

We rub our meats with our own special blend of spices before cooking in our Hickory wood pits for up to twelve hours to produce that wonderful moist, tender, and delicious authentic Barbecue that everyone loves! \* NOTE if you see pink on the outer edges of your meat it is a byproduct from the smoke during the process of cooking. This is referred to as the "smoke ring" among Barbecue enthusiasts.
