

# Jorja King Engineering Tech.

## **REGISTRATIONS AND CERTIFICATIONS:**

Nuclear Gauge Safety Certified

## **EXPERIENCE:**

**Certified Testing Services, Inc.**, Engineering Technician, May 2019 to present.

Her responsibilities include performing soils and concrete testing in the field and in the laboratory. Jorja has learned how to understand soils and concrete in order to perform the testing with more understanding and confidence. She has been working on some large projects that are giving her experience. Jorja will be attending several schools this coming winter (2019) to gain both ACI and IDOT Certifications.
