

Mary's

GRILL

"No one leaves hungry!" was the motto original owner, Mary Ditmore, lived by. Known for her trademark red hair pulled up in a bun and a larger than life personality, Mary was a fixture on Grand Avenue for 30 years. A newspaper article once referred to her having a "heart as big as all outdoors". It was true. She had a generous spirit, and never turned away someone who needed a meal. Even a fire in 1976 that destroyed the restaurant didn't dampen her spirit. She decided to rebuild and was right back behind the counter doing what she loved best - feeding the good people of Tonkawa. Mary's love of her customers was evident not only in the way she fed them - with good freshly made food - but once you ate at Mary's, you became a friend! Teenage to old age, rowdy or refined, everyone was welcome at Mary's!

Mary's Grill has always been known for delicious food, but Mary created one very important item on the menu - the "College Special". Consisting of French fries covered in thick cream gravy, this dish was known by every college and high school student in town. It was a saving grace for many a college student on a tight budget, as often the price would be "whatever change you had in your pocket"!

Carrying on the generous spirit and legacy of good food, Mary's daughter-in-law, Gail Ditmore, began working for Mary in 1973, and took over the reins as owner upon Mary's death in 1985. Gail carried on many of Mary's traditions and added in many of her own - like feeding the Buccaneer sports teams before a big game. Gail provided employment opportunities to the youth in the community and was known as a mentor to numerous young girls throughout the years. It was also widely known that many a marriage resulted from Gail introducing a girl and a boy she thought would make a good match! The friendly atmosphere at Mary's Grill was due to Gail's sense of humor and quick wit and she met each customer with a smile. Gail retired in the year 2000.

Everyone has a favorite story about Mary, Gail, the many waitresses or the food that became the tradition of Mary's Grill. Homemade hot rolls or cinnamon rolls, Mary's salad dressing, College Fries, thick hot chocolate or chicken fried steak, late nights after the ball game or Sunday after church - those are the memories that have made Mary's Grill part of the wonderful tapestry and colorful history of downtown Tonkawa.

In January of 2016 Mary's was purchased by Tonkawa natives, George and Carol Sawyer, along with Carol's parents Garry and Dorothy Davis. Our goal as owners and long time patrons of Mary's Grill is to bring back the heritage of a great family atmosphere and delicious home style meals. It is an honor and pleasure to provide our patrons with great service and food that tastes like home.
