Hair-free Means Care-free

Developed by the pioneers of laser hair removal technology, **xeo® hair removal** provides maximum comfort, efficacy and efficiency in a few easy treatments. Regardless of skin color (fair to tanned) or hair type (fine to coarse), both women and men can enjoy long-lasting hair removal in minimal time.

With **xeo® hair removal**, you'll enjoy a fast, comfortable procedure performed in as little as 30 minutes. This exceptional technology can treat your whole body including underarms, legs, bikini area, arms, chest and back.

Remove Unwanted Hair Reveal Touchable Softness

Stop covering up and start showing off your smooth, barer skin! **xeo® hair removal** gets to the root of the problem to banish unwanted hair with long-lasting results.

Get to the Root of Unwanted Hair

xeo® hair removal delivers powerful, gentle light into the hair follicle to prevent regrowth. Because hair grows in phases, it's necessary to repeat the treatments at periodic intervals in order to achieve maximum hair reduction. And with **xeo® hair removal**, you'll enjoy optimum comfort with continuous cooling of the treatment area during each light pulse.

Free Yourself

Why wait for your next waxing session, stress over running out of razors or deal with continuous shaving? **xeo® hair removal** gives you the silky, smooth skin that you've been dreaming of with results in as few as four to six treatments.

Ask your skincare professional today if **xeo® hair removal** is right for you.
